<p>The dive will be conducted under relevant ACOP's, the contents of which I am aware, and a site-specific risk assessment has been undertaken. The issue of a permit does not remove any responsibility for safety from the dive supervisor. A permit only represents the harbour master's permission to commence diving operations for the dates/times stated above.</p> <p>Signed: <i>(Dive Supervisor)</i> Date:</p>		

The following is to be completed by the Harbour Office:

Planned Shipping Movements	Check with Longroom Port Control prior to diving operations, VHF 14.			
Restrictions on Diving Operations				
Instructions	<p>All diving operations must display the appropriate International Code Signal whilst diving take place. Maintain listening watch VHF channel 14 throughout. Longroom Port Control and the Cattewater Harbour Office must be informed, before diving takes place and on completion, by telephone 01752 665934 (Harbour Office) and VHF 14 (Longroom). If diving operations take place outside of normal working hours then then an answerphone message should be left at the Harbour Office giving start and finish times of diving operations, along with informing Longroom. All permits and paperwork must be submitted and approved prior to office closure. Any incidents or near misses must be immediately reported.</p>
